GAMING LAW AND SPORTS BETTING

JUNE AND SEPTEMBER 2023

/ **Pedro Cortés**

/ **Katarina Pijetlovic**

Gaming is expanding globally. This course will provide the participants with advanced education on the legal and regulatory issues relating to the gaming and sports betting industry, with particular emphasis on Europe and the United States.

The instructors and guest speakers are top-class experts in the field and include Distinguished Professors in Gaming Law, past and present regulators, and C-Suite leading executives in the gaming industry and ancillary activities.

The practice of Gaming Law and Sports Betting requires qualified professionals. This course offers the chance to develop a profound understanding of the various areas of this industry, which is greatly specialized and growing continuously and rapidly.

The course is organized into two Bootcamps that take place in Lisbon at the Campus of Universidade Católica Portuguesa. The first Bootcamp deals with the fundamentals of Gaming Law. The second focuses on the legal and regulatory issues of Sports Betting. Each of the four-day Bootcamps may be attended separately.

WHO WILL BENEFIT

The course is aimed at Gaming and Sports Betting executives, lawyers, judges, consultants, and other professionals or agents who practice or are willing to practice in the field.
